DAY-PRIOR CHECK-IN

Friday, November 6th: 4:00 – 6:00 p.m.

Runners have the option of picking up their race bag (bib/chip, shirt, swag, etc.) on Friday if they don't want to deal with it on Saturday morning. This will be at SLS Community's Flourish Center on Razorback Rd.

Check-in is also available on Saturday morning from 7:00 – start.

ADDRESS: 2190 S Razorback Rd, Fayetteville, AR 72701

5K ROUTE

The 5K is a ”figure 8” with two legs. The full route is depicted to the right, and the legs are depicted on the following two slides.

Check out an interactive map at this link: https://www.strava.com/routes/3537195265936778106

5K ROUTE – LEG 1

LEG 1 – 1.45 MILES

- The 5K is a ”figure 8” with two legs.
- Leg 1 is the shorter leg (1.45 miles) and is depicted to the right.
- From the start line, Leg 1 follows the the park road in a clockwise direction around the perimeter of the soccer fields, and continues straight onto the new park entrance road.
- The new park entrance road will veer right, go down a hill, cross the Razorback Greenway, and cross a newly constructed bridge.
- Stay on the new park entrance road all the way until you hit S. Cato Springs Rd, then **turn right**.
- Follow S. Cato Springs Rd until you come to the park entrance, then **turn right**.
- When you go past the first parking lot to your right (before the roundabout), get on the right sidewalk.
- **Do not go through the roundabout on your first lap!**

The route will be thoroughly marked, and volunteers will be at every juncture.

Check out an interactive map at this link:
https://www.strava.com/routes/3537195265936778106

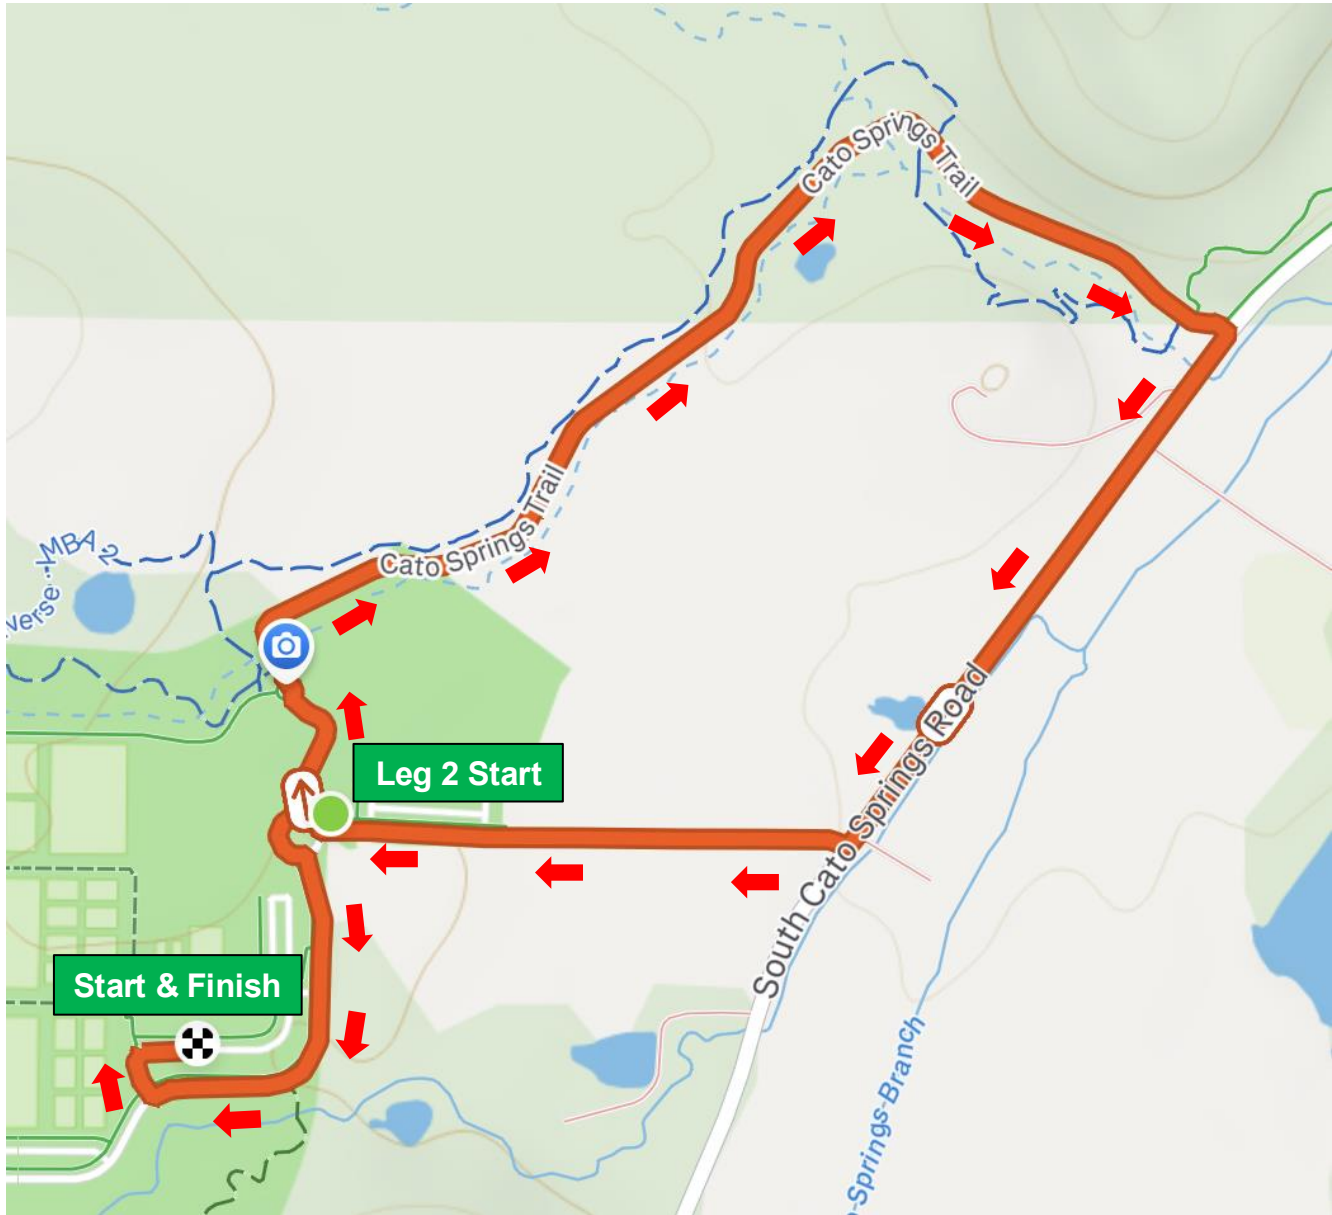

5K ROUTE – LEG 2

Leg 2 – 1.66 MILES

- Leg 2 picks up at the end of Leg 1 and is the longer leg (1.66 miles)
- For Leg 2, continue on the interior park trail down the hill to a small trail roundabout. There will be cones in the middle of this trail. ***Stay in the right lane on this trail until you hit the small roundabout.*** **Go through the roundabout** to continue onto the Razorback Greenway.
- **Stay straight** on the Razorback Greenway all the way until you hit S. Cato Springs Road. You will go through an intersection with the new park entrance road that you ran on during Leg 1. Stay straight on the Greenway through this intersection.
- When the Greenway intersects S. Cato Springs Rd (2-laned highway), **turn right**. For individuals using adaptive mobility devices, there will be a small curb to get onto the road that will have a ramp on it.
- Follow S. Cato Springs Rd until you come to the park entrance, then **turn right**.
- When you come to the park road roundabout, stay in the right lane and veer all the way around the roundabout to the left, **continuing on the park road back to the start & finish line**.

The route will be thoroughly marked, and volunteers will be at every juncture.

FUN RUN ROUTE

FUN RUN – 1 MILE

- From the start line, the Fun Run follows the the park road in a clockwise direction around the perimeter of the soccer fields, then takes a right to get onto the park trail. **Note: for wheel-chairs & adaptive mobility devices, there is a curb-cut to get on the sidewalk, ahead of this turn (will be marked)
- On the park trail, when you come upon a small trail roundabout, **turn right** to head up a small hill towards the park road in order to return to the finish line. There will be cones in the middle of this trail. ***Stay in the right lane on this trail.***
- When the trail intersects the park road, **turn right**, towards the roundabout. **Note: there is a curb-cut for wheel-chairs & adaptive mobility devices**.
- Follow the park road towards the start/finish funnel, and **turn right** towards the finish!

The route will be thoroughly marked, and volunteers will be at every juncture.

EMERGENCY PLAN

We will have Emergency Medical Services at the start area. If a runner needs medical attention, call in this order:

1. Will McCombs at 479-445-0610
2. Ashton McCombs at 479-236-8085
3. Betts McCombs at 479-236-1440

All of these individuals will have their phones on them, near EMS, and will send EMS from the start area to your position. If you cannot reach any of them for any reason, dial 911 immediately and describe the situation to get EMS on site.
